SUMMARY OF SKILLS

Kassidy has had a lot of experience with her tribe and is looking to expand her knowledge of other tribes. She is eager to learn more about business development, tribal courts and economic development.

EXPERIENCE

THE WHITENER GROUP

Consultant & Administration
2017-Present

Kassidy works with a range of TWG's contracts and clients. She assists with research, scheduling and miscellaneous tasks that arise. Kassidy has also been actively involved with our contract involving tribal court assessments in Alaska.

Kassidy is working with our team of consultants on economic development, strategic planning and tribal justice systems development projects.

THE SQUAXIN ISLAND TRIBE

Summer Recreation Activities
Coordinator
2016-2017

Kassidy coordinated the events and activities for the program. She was also responsible for all of the age groups, their leaders, and youth workers. Kassidy guided and helped the individual groups with their activities, day to day routine, behavioral problems and additional duties.

THE SQUAXIN ISLAND TRIBE

Summer Recreation Program
Assistant
2010-2015

Kassidy had a specific age group that she was responsible for. The age group Kassidy was working with had anywhere from 15-30 kids a day under her care. She planned and executed all of the activities for this group every summer for five years. Kassidy was also responsible for training a youth worker each summer.

RALLY POINT 6

Volunteer Scout
2014-2016

Kassidy connected members and their families to community service providers that assisted them on their path forward from military service.
